EX LIBRIS

We, the students and teachers of St. Anne's
are proud to dedicate our Yearbook
to Father Charles Lanoue

His interest and zeal in the cause of Christian education
along with that of the other zealous priests in this area
have given us more than one school —

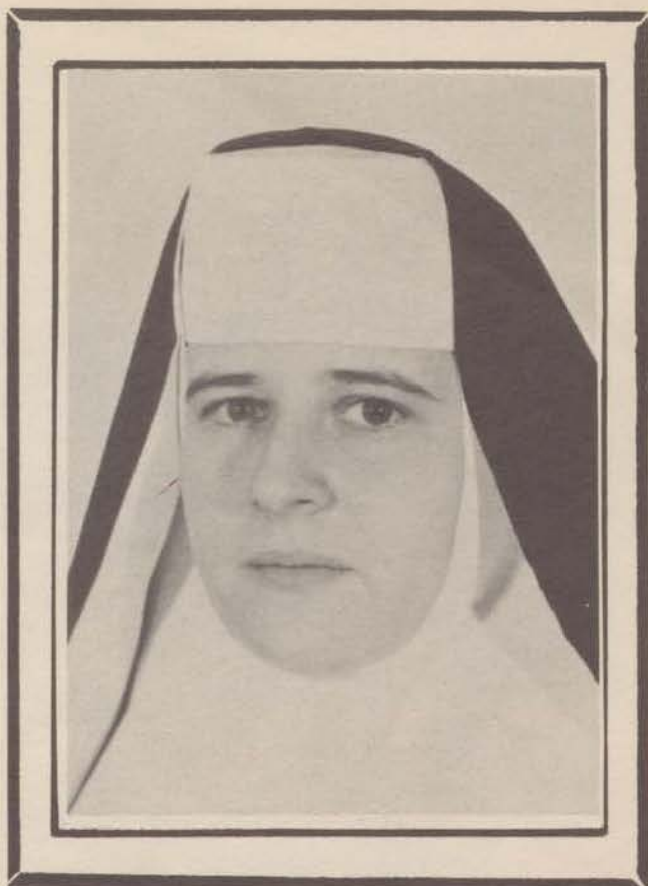

We are deeply grateful to him and shall try
to show our appreciation by making use
of the opportunities that are presented to us.

May God reward him, and
his fellow priests for their work.

FACULTY

Our Principal's Message

Dear Students,

Congratulations on your Yearbook! I am certain that it will be, now and for many years, a reminder of many pleasant friends and experiences of your years at St. Anne's.

But I hope that it is more. I hope that each skimming through these pages, in years to come, will bring back not only thoughts of people and parties, games and assemblies, classes and laboratories; but memories of ideas and ideals that we have tried to instill in you -- the knowledge that your primary purpose in life is to know, love, and serve God -- the ideal of the Christ-like individual that every Christian aspires to be.

You smile when I answer your "Good evening, Mother," with "Be good", but in wishing you goodness I also wish for you the train of blessings goodness brings - the abiding presence of God and His grace - and joy, and peace, and happiness.

So, be good, as always,

M. Patricia Gane

Editorial

Finally after much work and the worry of meeting the final deadline, the Yearbook Staff proudly gives you "Your Yearbook". Recognition is due the many who worked to make this book a reality. Our dream has at last been realized. They say "you can't tell a book by its cover." Sure, it may be shabby-looking compared to those of other schools, but it represents the sweat and toil of many who took on the responsibility of giving the students something they might not have otherwise obtained. To these devoted few, the students of St. Anne's owe a debt of thanks. Their joy in seeing the product of their work compensated for all the set-backs which occurred in the preparation of this "chef-d'oeuvre."

I'm sure that this Yearbook, as an incentive for future classes, will be the first in a line of many fine books. We sincerely hope that others will continue this project as an indication of school spirit and loyalty. The main requirement for such a task is the total co-operation of all in the school, students as well as teachers.

St. Anne's High School was opened in September 1960, to accomodate Grades 11, 12, and 13.

ATHLETICS

Yea Team!

Between Whistles . . .

By BIG LAR

Sports enthusiasts at St. Anne's witnessed some outstanding performances from Mr. Staley's fine, well-trained, football and basketball teams this year. The Junior football and Senior basketball squads both advanced to the finals of their respective leagues only to be halted in their quest of a Championship.

In a Best-of-Three series against St. Louis, the Juniors bowed 19-14 the very first game. Valiant and determined, they fought back in St. Anne's first "Mud Bowl" to wrestle a 7-6 victory from their opponents. The final encounter saw St. Louis overpower our courageous Juniors to the tune of 36-14 to grab away the championship.

Senior basketball games proved very exciting and spine-tingling. The Seniors posted the best season in the school's basketball history claiming five wins against one loss during regular play. Pitted against a good Kingsville team, they suffered a shattering blow when they were socked 57-32. With a 25 point handicap, the Seniors fought with even greater zeal in the second of the two-game, total points series at home and drubbed Kingsville by a 56-43 score. They were however still 12-points short of the championship. Pride would not allow a loss at home all season, not even to the so-called "Undefeated Webble Wowzers." They were trounced 32-11. Players (good ones, anyway) could not be found to cope with our Superior Playing Seniors.

THE LAMPLIGHTER

A new feature at St. Anne's has shifted the spirit into high gear

One day, an editor turned on the ignition and directed the vehicle towards its destination. The tank was filled with school spirit and a few excited spark plugs ignited the motor. As the energy of the staff increased, the wheels turned faster and faster. The lights were green; the signs read 'go!' Rough roads were no problem with the guiding light of Mother Sheila. Nothing could hinder the completion of its destination Our Yearbook!
